thing of true feeling in its tones as he strove to persuade him from the spot. The sufferer appeared not to the casement in the morning. The dewy blossoms with her father's blood on his hands, however innocent definite wish to escape actuated him, though he arose the face of the dead. Slowly the orphan advanced; and it was a luxury to pity him—to feel that one in the face of the dead. Slowly the orphan advanced; and it was a luxury to pity him—to feel that one in the face of the dead. Slowly the orphan advanced; who shared her lineage, would remember her with a started and her heart leaped within her, for the world, who shared her lineage, would remember her with the dead. Slowly the orphan advanced; the face of the dead. Slowly the orphan advanced; who shared her lineage, would remember her with the limit to the lineage. She had been wont to install the lineage of the dead. She would be the casement in the morning. The dewy blossoms with the rather's blood on his hands, however innocent he might be; yet she could hear from him sometimes; and it was a luxury to pity him—to feel that one in the world, who shared her lineage, would remember her with the lineage. She had been wont to install the lineage.

upright, draw a quick, gasping breath, and walked never known, lay like a promise of heaven upon it.— misconceive the nature of my evidence—I am sorry to rapidly toward the house.

Grace stooped and pressed her lips to the cold clay.

Grace looked up in savorishment.

vehemently entreated him to return, and not to run the corpse. It was her cousin who stood before her, headlong into danger. Blair paid no attention, but, Very pale he was, and his countenance looked solemn moved swiftly toward the house. The bafiled villain and death-like in the dim light. Grace moved not, uttered an execuation, stood irresolute for a moment, mor shrunk as he laid his cold hand on hers. She knew and then followed him, muttering, "The fool! he will that he had killed her father, but she knew also, that lafter what has passed, may be construed into malice. I force me too far—I would not have a trial, but if he his will had no part in the deed. He spoke, and his knew Blair in Beston, but we did not assimilate—he was will run headlong, let him take the worst."

Old Himman bore the senseless Grace to her chamber, and laying her on the bed chafed her cold hands in his hard palms, poured water over her face, and ers slept-to-morrow I go to be tried for his murder, strove by every means in his power to restore her to -you cannot think me guilty of an intent to kill your strove by every means in his power to restore her to estate her to estat

a wedge between it and his face.

Ben bruke off short in the horse laugh which followed his manly exploit, and drew back with instinctive respect, for a You know what has passed between us here. I was to blame, perhaps—certain I am that I was rude to you—but if ever a man deserved to be forgiven for outrage I—"

Grace, who had been growing faint and weak with apprehension, interrupted him. "Do not, do not torture friend, who had set his nose at liberty and was again shoulder-like the large with him to his friend, who had set his nose at liberty and was again shoulder-like the large with him."

"Give her time to reflect," replied the humane

The attorney bowed in acquiescene, and the buwagon seat.

"Wal, come along then, for these ere dried apples an't none of the lightest, I can tell you," replied Zephaniah, stopping short and settling a well packed hag more firmly upon his shoulder, "come hurry along for I've got a tarnal long list o' notions to get afore I can go in to see that college chap hauled over the couls."

The attorney bowed in acquiescene, and the business of the court went on. The name of James Hinman was next called. There was a slight bustle near the door as that personage separated himself from the crowd and advanced toward the couls." stand. Grace uttered a faint cry on his appearance."

Benjamin gathered his merchandize tegether, and the two began to navigate their way through the noisy crowd collected before the store they wished to enter.

"By gracious, look at them 'are goggles," exclaimed Zephaniah, facing round to a man who, with green spectacles on his mase, and two large law books under his arm, was making his way to the court house.

As Zepheniah stood gaping after the green eyed lawyer some rogul h wight in the crowd placked at the bag behind, the string gave way, and half of his lond made for itself a quick passage to the ground.

"Now if that an't to had," exclaimed Zephaniah, setting down his bag and patiently stuffing the strings of apple back to the ground.

"Now if that an't to had," exclaimed Zephaniah, setting down his bag and patiently stuffing the strings of apple back to their place. As he was se employed, his friend Ben, who was always up to a joke, took his molasses jug and pail in one hand while he knocked Zeph's hat over his eyes with the other.

"I say there, yo. Ben Wheeler, if you'd jest as live, 1'll take care of my own hat," cried the sufferer, togging to get the tentimetory chapeant from over his great nose, which projected like a wedge between it and his face.

Ben broke off short in the borse lange which followed his stand. Grace uttered a faint cry on his appearings of the court in utter hopelessness.

Being questioned by the attorney general Hinman proceeded to relate, that on the day of Mr. Suthgate's death he had been out alone, shooting in the woods, and that as he had stopped to rest awhile by a certain pine tree, growing on

to our constitutions, and competent to the cure of every curable discuse, will be found in Wright's Indian Vegetable PILLS,

Of the North American College of Health. These extraordinary Pllls are composed of Plants which grow spontuneously on our own soil; and are therefore, better adapted to our constitutions than medicines concorted from foreign drugs however well they may be compounded; and as the INDIAN PEGETABLE PILLS are founded upon the principle that the human body is in truth

Subject to but one DISEASE.

This is to inform the public, that all genuine medicine has on

WRIGHT'S INDIAN VEGETABLE PILLS, (INDIAN PURGATIVE,)

Of the North American College of Health. And also round the border of the label, will be found in small type, "Entered according to the act of Congress, in the year 1840, by WM. Whitour, in the Cierk's Office of the District Court of the Sauthern District of Pennsylvania."

The public will also remember that all who sell the genoroa lonian Vegetable Pills, are provided with a certificate of ogen-
